

"For man, autumn is a time of harvest, of gathering together to give thanks."
~Edwin Way Teale

With autumn upon us and as we prepare to gather with our families and give thanks, we would like to express our "Thanks" to you. It is only with your support and dedication that our **30th Anniversary - Home for Hope** was a success. Forever, the community, the kids, the environment and most of all, the families of The Ronald McDonald House of Cleveland will have the memories and feel the impact of this great project.

Your commitment was far and above building a home that would provide joy to a single family. The 30th Anniversary of The Ronald McDonald House of Cleveland was about educating people, providing opportunity and in the end, a project that will forever signify this special anniversary year and the raising of funds that allow us to continue to carry out our mission and serve more families in need.

It is only because of your support that we are able to carry out our mission and continue to allow families to gather in their own private rooms, in the open family rooms, gardens, kitchen and play areas. These places create opportunities of comfort, to share stories, and try to deal with the adversity facing them. These families count on The Ronald McDonald House for our "home-away-from-home" atmosphere that allows them to be close to their sick children and the doctors treating them.

"With each new friend, new day and season comes new strength and new thoughts."
~ Eleanor Roosevelt

On behalf of our staff, the over 30,000 families that have called The Ronald McDonald House of Cleveland their home over these 30 incredible years and the 37 families that will spend their Thanksgiving day with us this year, we **THANK YOU**, for allowing us to count on you for your support of the **Home for Hope**.

Our best wishes to you and your family as you gather this Holiday Season.
